SAN FRANCISCO/EWORLDWIRE/July 7, 2009 --- HAND in HAND custom jewelry design has been voted San Francisco's "Best Kept Secret" for the third year in a row in San Francisco Magazine's 2009 Best of the Bay Awards. HAND in HAND was announced the winner at the ninth annual "Best of the Bay Area" party and fundraiser held on June 25.

"Words can't describe the feeling of winning such an important and influential distinction three years in a row in only our first five years of being in business," says Marc Stiglitz, owner and head designer of HAND in HAND. "We are so grateful to our international clientele, family, friends and the readers of San Francisco Magazine for acknowledging the labor-intensive, old-school approach we use in creating our top-quality, personally-inspired and never-to-be replicated designs, as well as the equally stellar and personalized customer experience we provide."
