

HAND in HAND Custom Jewelry Design Named Best Wedding Rings in the San Francisco Bay Area

Wins the San Francisco Chronicle/SFGate.com's 2010 BAYlist Best Awards

For Immediate Release

SAN FRANCISCO/EWORLDWIRE/June 22, 2010 --- HAND in HAND custom jewelry design was named the winner of the prestigious 2010 San Francisco Chronicle/SFGate.com's BAYlist Best Awards for the Best Wedding Rings category. Although HAND in HAND has won many wonderful awards and distinctions and has had a number of their one-of-a-kind HAND in HAND originals become internationally published pieces, this is the first time HAND in HAND has won this very important San Francisco Bay Area honor.

"We are absolutely ecstatic, grateful and completely humbled to be voted the 2010 Best Wedding Rings in the Bay Area by the San Francisco Chronicle, its readers and all of HAND in HAND's clients and supporters," says Marc Stiglitz, owner and head designer of HAND in HAND. "Given this was the only significant, regional award we hadn't yet won, and the talent and resources of our competition, this is one of the sweetest victories and most satisfying awards we've earned in HAND in HAND's history to date. Most importantly though is this success is the result of a true collaboration by many spanning the globe. We send our most sincere thanks and appreciation to everyone who voted for us and spread the word of HAND in HAND."

"Given the sheer amount of labor hours and effort we put forth to assure each and every HAND in HAND original exceeds our clients every expectation, as well as the equally stellar and tailored custom design experience we provide, this is truly a special accomplishment to savor," says Kim Stiglitz, director of marketing. "Who we are, the irreplaceable pieces of luxury, fine jewelry that result from the collaborations we share with our clients and how we best manage our clients' needs over the life of their HAND in HAND originals not only sets HAND in HAND apart from any other jewelry buying experience, but also any other purchasing experience overall. Being recognized and valued for the uniqueness that is HAND in HAND is extremely gratifying."
